We the 1983-84 Scimitar staff would like to extend our thanks to the following: all the sponsors and advertisers who make this book financially possible, the faculty for the patience and understanding, Multi-Chrome Studios for the senior class color pictures, to Mr. Art White for helping with our pictures, and Mr. Van-Pevenage, who not only provided us with pictures, but for all the help and understanding necessary to make this year's Scimitar a success.

Thank You,

Hi MIA!

How's it going?? I've loved being your friend for the past years!! You're really nice, & special!! Have a wicked year & life!! Take it easy!! Love ya always Mike

The 1984 Scimitar is dedicated to a person who has earned the respect and the appreciation of the entire Sultan student body. Through the untiring efforts and devotion to most all activities this wonderful lady has made a lasting impression on each of us.

Whether at a football game, a volleyball match, setting up a banquet, or cheering on the wrestling team, her cheerfulness and encouragement were always there.

With a deep sense of gratitude, and with joy at having been around her, and especially with a smile ... we proudly dedicate this Scimitar to Mrs. Carol Hawthorne.

*Our time has come
to leave behind
A special part of
our lifetime.
We've come a long way
from way back when,
Meeting new people,
and making them friends.
Joined together, united
as one,*

*Loving and laughing and
having fun.
Experiencing our sorrows
sadness and tears.
Slowly we've made it
through these unforgotten years.
All through the agony,
and all through the pain,
We've learned to accept losses
and celebrate our gains.*

*We'll face tomorrow
out on our own.
A destination to somewhere
a journey unknown.*

I am an
Individual
Striving
To be unique
Amist the many,
I find within me strength
To search
For myself
Among conflicting ideas
Placing myself
Within the bounds of nature
I can discover its beauty
And search for its peace,
Permit me
To learn
To teach
To grow
To soar ...
And I can hope
To play a role
Untouched before me-
Marked forever by me.

I've been wanting to get to know you better since you were in the 9th grade. And now that I have you I'll never let you go. Cause I love you so much. I can't wait until next year, but if not next we will later hopefully. Take care of yourself. But remember someone is always watching you. Like me for instance.

ESPRIT

During the 1983-84 school year at Sultan High, students expressed their individuality by the way they dressed and had their hair designed. In the beginning of the school year a lot of muscle shirts and "Flash-dance looks" were seen. Some of the students went for the layered look. Levi's were still very "in", but other things that were worn were: Guess, Esprit, Cotler pants, Edwins, Cropped pants and many other things.

To top off many outfits a variety of accessories were available. Over-sized, brightly colored, weird shaped, flashy, earrings, necklaces, and bracklets were seen for the finishing look. Many students found themselves venturing to a new look and cut their hair short, and put "gel" or mousse on it to give it an "out of the ordinary look". "Tails" are cool!

WHENEVER THE STUDENTS GET INTO A

NO SLAMMING LOCKER SOUNDS
BOUNCING OFF THE WALLS
JUST PEACE AND QUIET IN THE HALLS.
NO ASKING TEACHERS HOW THEY
FAIRED
OR BOOK REPORTS, OR BOARDS TO BE
SQUARED.
AND NOW THE DECISIONS WILL BE UP
TO YOU
NO ONE WILL TELL YOU WHAT TO DO.
NOW IT'S TIME TO CLOSE THE DOOR.

BACCALAUREATE

GRADUATION

1984

Class Pres.-
Kari Abbott

Class Speaker-Shannon King

Salutatorian-
Kathleen Finley

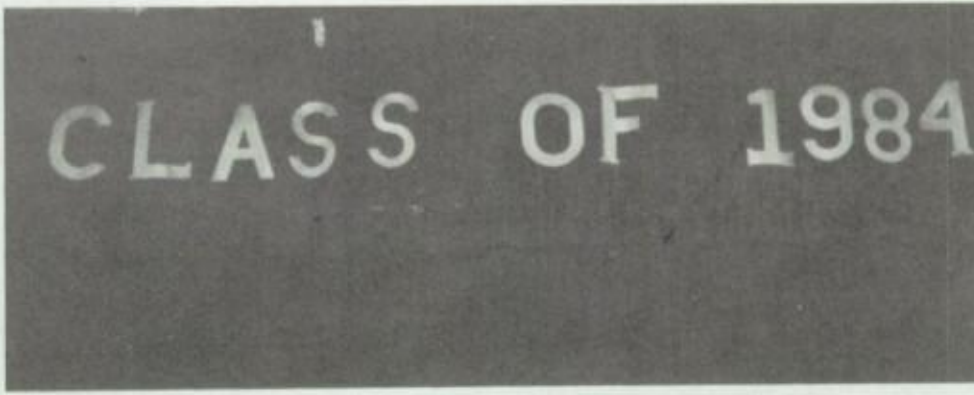

Valedictorian-Corey Hawthorne

Valedictorian-
Robyn Fry

Faculty Speaker-
Bruce Cooley

The year is 1994, we're at the ruins of the old Sultan High School. The new school was finally constructed in 1988, but it didn't seem right to have the class of '84 ten year reunion there. Everyone wanted to come back to the old school one last time before it's torn down.

Scanning the crowd I see TOR BJORKLUND, the nuclear physicist. He frequently works with our very own mad scientist GREG NIXON, a chemist. They're talking to LARRY GILKERSON. You remember Larry, the quiet guy. He's a world famous astronaut.

We'd like to thank WADE BOTTING and his personal secretary TENA COOK for sending out all the invitations. He was assisted by TERESA NEUFANG and COLETTE FIKE. They replaced the now-retired Mrs. Rappuhn and Mrs. Trammell as the school secretaries. JEFF CRISWELL, BECKY WOLTER, TRACY KONKLER, DARREN MELHART, MIKE FRENCH, and MARK ROOT catered the party. These prosperous caterers have an especially good punch.

Isn't that MIKE WYATT and BETTY PATTERSON, the 1984 sweethearts? I heard they got married in '85. They're discussing married life with KRISTI DOUGLAS and husband Pat. Kristi has her family here too, Zee, H, and Q, all boys.

Look who just drove up. It's DARREN PROFFITT and Herman the Love Bug. Herman appears to be ill. Maybe SCOT FENTER can tow him away. Scot owns a towing company now. He gets a lot of business from RICK FENTER, BRIAN MINKEL, and AL THOMAS, all of whom are Driver's Ed. instructors.

The ornamental gardeners just walked in. ALLEN WEIDEMAN and ROB FINDLEY specialize in Charmin wrappings. Some of the staff are satisfied customers. Some people say they buy out the Family Grocer's supply of Charmin for their special assignments.

DINA LAPOINTE is circulating, filming everyone she can. She's talking to ROBYN FRY, PAM GRIFFIN, and TERESA KOENIG. All three were recently in jail in Nicaragua. You see, Robyn wasn't as sweet and honest as everyone thought. When she became the U.S. ambassador to Nicaragua, she proved herself to be corrupt. Pam went down to catch the scoop. Her editors at the Post (Washington Post, that is) sent free-lance political cartoonist Teresa with her. It seems Teresa demanded to be allowed freedom of the press. No one is sure how they got out, but Robyn's fingernails are all broken.

Other classmates abroad are DAVE AAMOLD and MARK HOFFMAN who were detained in Columbia, CRISTY WHITE is in Mexico again, and KERRY CHITTICK who lives in Canada and couldn't get here in time.

Providing tonight's music is ALVIN HARLOW and his band-the Chipmunks.

SHANNON HESS, a marriage counselor, is listening to BRAD CLARK go on about the success of his restaurant. All of Brad's pork comes from ANDREW ANDERSON's hog farm. Brad has exclusive rights to Andy's Dandy porkchops.

ANNA RUBART, the owner of a cab company in New Jersey, is with KIM SWANGER and SANDY THELEN. Sandy and Kim have always been talkative, as you recall. They're telephone operators now.

SPENCER GOODWIN, a professional escort, is talking to KARI ABBOTT. He heard about Kari's Lamborghini and wants to drive it.

ROD FISCHER and his manager SAM COOK are discussing business. Rod's a pro wrestler now and Sam thinks he might be able to set up a match tonight between Rod and the "Super Seven," SANDY RUST, KATHLEEN FINLEY, SHANNON KING, COREY HAWTHORNE, ROSHELLE MONAGHAN, TOVE HILBURN, and DONNA KLOSTER. They're professional volleyball players. Chances are JEAN PLANK, a Dallas Cowboy, will team up with Rod.

TRACY BRYSON the telephone pole repairperson is speaking to PHILIP MEEHAN, the fire chief. They're observing the beginnings of a riot. GALE SADLER, DON HELLMAN, PETE NEESE, JEFF BECKEL, and RICH RODE are supporting the position of the military, or establishment if you will. ALLEN MESSENGER and TONY CLARK, the heads of Greenpeace, are giving them a piece of their minds. Like man, those dudes are always outspoken.

TAMI IRISH and SUZZIE MOLVIK, fashion editors for Vogue magazine, nearly missed being struck down by PENNY COOK, a race car driver. Penny is nothing but a blue blur now.

Say, where are SEAN and JEREMY PRICE and ALAN SUTTON? What? Down at the ponds? Sounds like a good place to be. This is Katie Kalkwarf signing off.

S N A P S

- I, DAVE "BEAR" AAMOLD, will my sound body, not so sound mind, and my teddy bear collection to anybody who thinks they can be special enough to get it, and to JERRY "HAROLD" AAMOLD the best in everything he tries to accomplish.
- I, KARI ABBOTT, being of somewhat sound mind and "beefy" body, will to ROSHELLE lots of love because we made it through this whole mess together, and to AL, everything, just because.
- I, ANDREW DALE ANDERSON, will to CHARLES ESTES the ability to show his purebred landrace sow and continue taking first, and to KEN GODDERIS the ability to show his crossbred sow at fairs and maintain coolness at fairs and in class.
- I, JEFF BECKEL, will ANDREW ANDERSON the ability to get past 6th period without passing gas and to get on base with LAURA FERRY. I also will KEN MAHAR a rag to wipe his nose off and a new bladder so he doesn't have to go during an assembly next year.
- I, TOR BJORKLUND, will my sister ANN BJORKLUND the ability to have as much fun as she can and to MR. CARLSON a better paying job.
- I, WADE BOTTING, of insane mind and outstanding body, will JOHN ZIELSDORF the means to use school property in planning a senior party and not be caught.
- I, TONY CLARK, being of sound mind and body, will the name of "nose" to JOHN WARNER, if he can handle it.
- I, SAM COOK, will JUSTIN JOHNSON to try to stay out of fights in the future. I also will my little sister to make her freshman year a good one and also to get good grades I never got.
- I, JEFF CRISWELL, will TULSA A. HILL my awesome red and blue Datsun so that he can drive a good car that won't break down every day.
- I, KRISTI DOUGLAS, will to MS. RILEY my ability to move up from the beginning aerobic class and to MIKE PETERSON the ability to go to as many rock concerts as I do a year.
- I, SCOT FENTER, will my great driving ability to my wife in hopes that someday we can drive a car without dents, to AL THOMAS the ability to drive a car without having to rebuild it once a week, and to my sober brother the ability to drive under 105 mph. And God bless the rest of you.

- I, ROB FINDLEY, will BRETT CARLSON the ability to stay eligible for basketball, and to KEN MAHAR I will the ability to play the game.
- I, KATHLEEN FINLEY, will my good driving skills to MR. BAGBY so he will know what to do next time he comes across a porkypine. I also will the best of luck to MR. FULFS and the future volleyball team. And the best of luck to all my friends.
- I, ROD FISCHER, will my brothers TOM, JIM and JOHN the ability to go through high school without having to take their senior class twice.
- I, MIKE FRENCH, will to my brother SCOTTY and cousin HANK all the women that they can find that were mine. (But don't get caught like me.)
- I, ROBYN MAUREEN FRY, will to DAVID BURNS, CHARLES ESTES, and DENNIS OCHS, another girl on the Hi-Q/Knowledge Bowl teams as tolerant as I am about having various personal items (shoes, makeup, purses) purloined, to MR. VANWYNGARDEN a video recorder so he never has to miss "Remington Steele" and the "A-Team," to MR. LOVE and MS. WALLER another student with a birthday the the same day as theirs, to MS. SIMPA my brother JAY because she'll appreciate the challenge and he needs the help, and to MRS. DOUGLAS three straight jackets and muzzles (matching sets).
- I, SPENCER GOODWIN, do hereby will my radical senior year to MIKE PETERSON and my scamming' excursions in the "City" to the breakers.
- I, PAM GRIFFIN, (we won't discuss the soundness of my mind or body) will my ability to hide a well-cultivated radical personality behind a facade of shyness to ERIKA VANDERLIP, and my eyelashes to KARI ABBOTT, although NO ONE deserves this curse.
- I, ALVIN HARLOW, be in sound mind and body will my friendship, kindness and Christian love to WENDY WALL, DIANA FOX, KARREN BLACK, MARY GRIGGS and SHERI CHAMBERLAIN and good luck in the years to come, God bless you all with good luck and my His love be with.
- I, COREY HAWTHORNE, of fairly large vocabulary, will MR. HARDER a dictionary in the event that a student asks him the definition of an embarrassing word, and a Kodak instamatic to MR. BAGBY for the next time a basketball player pulls their shorts down in front of him.
- I, DON HELLMAN, will WENDY TRAMMELL the ability to have the best senior year ever and WILLIAM NEUMAN the the ability to find someone to keep him in control in MS. SIMPA'S class.
- I, SHANNON HESS, will the ability to BRIAN MINKEL to get caught next time instead of me and to MRS. CHAMPEAUX I will my patience so she will be able to handle seventh period next year.
